Safe Drinking Water Loan Program - State Fiscal Year 2025
Project Priority List (PPL)
May 06, 2024

¹ The Self Score does not include Financial Need points. If the municipality submits an application for funding, 15% of the municipality's principal forgiveness (PF) points will be added to the PERF Score to take into account financial need. These additional points will be reflected on the funding list.

² Any municipality with a population of 15,000 or greater will have all of its projects designated as federal equivalency in State Fiscal Year 2024. In addition, all emerging contaminants projects and LSL projects are designated as federal equivalency. Visit <https://dnr.wisconsin.gov/aid/federalEquivalency> for information on federal equivalency requirements.

<i>Eligibility Undetermined - Insufficient information was submitted to determine project eligibility for SDWLP funding. Refer to the comments within the PERF for an explanation.</i>					
Municipality	Project Number	Project Description	Estimated Project Cost	Region	CME
