2024 Wisconsin Conservation Congress DNR Recognition Award Nomination

Each year the WCC recognizes Department of Natural Resources staff members that have done an outstanding job of advancing Wisconsin's conservation and natural resource management initiative, for their dedication and exemplary work in the natural resources arena. **Nominations can be made for any Department of Natural Resources staff member,** regardless of the bureau/division for which they work. The recipients of these awards are chosen by the WCC Executive Committee based on the Congress' knowledge of their work along with nominations from delegates, citizens, or their co-workers/supervisors.
