Trail Project Detailed Description

This trail is already an existing USFS ATV only trail. It serves as a heavily used atv trail connector. The trail spans from the Nicolet State Trail to the Town of Blackwell. There is a trail head located adjacent from the trail in the Town of Blackwell. This trail also connects to Goodman Park Rd, which leads right into Marinette County trails. Funding would help maintain and keep up with the steady traffic it currently receives.

**** This connector corridor had been submitted by the US Forest Service during the FY14-15 Application Cycle, and approved by the ORV Council. However, USFS later declined the funds due to lack of staff/contractors available to maintain the corridor.**
