New Trail Ranking and Certification Worksheet

County: Clark Segment Name/Trail #: Abby Trail
 Date of Application: 4/14/2023 Miles Requested: 1.3

Qualifications – All items in this worksheet must be completed for new miles request, and submitted with a copy of the Motorized Recreation Grant Application 8700-159 for each new trail. Each trail must be submitted separately. All items in this section must be completed for valid new trail maintenance funding request – incomplete applications will be denied.

Any rehabilitation funding requests should be included at this time on form 8700-159. Trails must be in the funded system for at least 10 years before they are eligible to receive rehab grants, so it is important to include rehabilitation needs now. (NR 50.09 (4) (g))

Gateways questions: Provide justification for selection below.
