

Conservation Acres Per 1000 Residents by County

- < 100 acres
- 101 - 500 acres
- 501 - 1000 acres
- > 1001 acres

Conservation land acreage are derived from the 2010 Protected Areas Database for the United States, Conservation Biology Institute Edition (PADUS-CBI) and contain public lands managed by federal, state and county government in addition to tribal and non-government conservation organizations.

County population data are extracted from the 2010 US Census Block groups and normalized to 1000.
