				Preventive Maintenance – Extending the Life of Your Water Well	1	1	0
				DNR Data Systems	1	1	1
				DNR Updates	1	1	1
				Evaluating and Improving Your Drill Rig Procedures	0	1	1
				Geology and water movement in Wisconsin	1	1	1
				Geothermal Best Practices Start to Finish for Buyers	0	0	2
				Pumps, Wells & Plumbing	2	0	0
				At the Well Control Pitless Units and Variable Flow Check (VFC) Valves Description	1	1	0
				Well Fouling Indicators: Observations from the Lab	1	1	0
				Well Rehabilitation: Why, How, When, & then What	1	1	0
				Something We Can Agree On – Clean Water	1	1	1
				Wisconsin Geology: What Controls Today’s Aquifers	1	1	1
				Bacteria, Well Chlorination and Disinfection	1	1	0
ALL STAR TRAINING	<p>REGISTRATION</p> <p>Email: Support@AllstarCE.com</p> <p>Phone: (817) 385-1136</p> <p>Web Address: https://allstarce.com/</p>	ONLINE	Completion by Dec. 1st is strongly encouraged	Abandonment of Water Wells Part 1	1	1	1
				Abandonment of Water Wells Part 2	1	1	1
				Health and Safety in Water Well Industry	1	1	1
				Water Well Drilling Rigs and Pumps Safety	1	1	1
				Water Well Pipeline Safety and Abandonment of Water Well Hazards	1	1	0
				Water Well Safety	0	1	1
				Well Disinfection	1	1	0
				Sinkholes	1	1	1
				Seals and Liners	0	1	1
				Borehole Geophysics Specialty Tools	0	1	1
				Borehole Geophysics Understanding E-Logs	0	1	0
				Hydrogeology for Well Drillers	1	1	1
				Locating Water Wells	0	1	0
				Groundwater Under Direct Influence	1	1	1
				Well Rehabilitation	1	1	0
				Corrosion in Water Supply Wells	1	1	0
Common Causes of Well Failure - Part 1	1	1	0				
Common Causes of Well Failure - Part 2	1	1	0
